# WELCOME

## *OUR STORY IS UNFOLDING*

The Phoenix, though imaginary, or as Webster states, “a legendary bird living 50 years, is symbolic and is about renewal, overcoming darkness - rising to the challenge to become powerful, and succeed. Strength and Renewal.

PHOENIX House is developing a legacy of belief - a can do, never give up spirit. A belief that people with mental illness can lead meaningful, productive lives. PHOENIX House is committed to seeking to improve the lives of those affected by mental illness, those whose lives were interrupted by their mental health condition by providing a welcoming community. Here “members” will find opportunities to engage in meaningful work, activities and friendships for a better quality of life.

PHOENIX House is a valuable resource for men and women with mental illness who want to build a better life, find employment or continue their education. Mental illness can interfere with a person completing their education; but with the right supports, a “member” can be successful. Whether working on a GED, certificate or degree, PHOENIX House assists its members in returning to school. Mental illness does not need to be a barrier to employment. PHOENIX house can help members find and keep a job. With our support, Clubhouse members enter (or re-enter) the workforce and succeed.

Your financial support will help PHOENIX House establish the S.E.A. Centre’ (Support, Education, Advocacy) Centre’ as a place of respite, office operations, community meeting space, support group collaboration, education, research and training.

By giving to scholarship funds, research and development and programming, you can choose the impact that your gift will have. Whether your gift is big or small, every donation makes a difference in the lives of those affected by mental illness.

*Our Journey Starts With You.*

These gifts can be directed to a specific program or project of special interest, or they can be “undesigned” which allows PHOENIX to designate it to the area of greatest need. Outright gifts are claimed as a charitable deduction the year in which they are made.
